

Look around you-  
you will see someone who needs your love.  
Offer it to them.

In that moment, you will be their blessing.  
And God will be smiling.

-Barbara De Angelis

You can't do anything about the length  
of your life, but you can do something  
about its width and depth.

-Evan Esar

When worrying about tomorrow,  
consider if you've lived enough today.

-Ben Nolen

Life is the acceptance of responsibilities  
or their evasion.  
It is a business of meeting obligations or avoiding them.  
To every man the choice is being continually offered  
and by the manner of his choosing  
you may fairly measure him.

-Ben Ames Williams

Nothing that is worth doing  
can be achieved in our lifetime;  
therefore we must be saved by hope.  
Nothing which is true or beautiful or good  
makes complete sense in the immediate context of history;  
therefore we must be saved by faith. Nothing we do,  
however virtuous, can be accomplished alone;  
therefore we must be saved by love.
